

## **Step-by-Step Download Instructions**

### **To save MP3 downloads on a Windows PC**

1. If you use Firefox: Right click on the link and select "Save Link As..." (If you use Internet Explorer: Right click on the link and select "Save Target As...")
2. Choose a folder to save your file, such as "Music"
3. Open the file in your favorite player such as Windows Media Player, RealPlayer, or iTunes

### **To save MP3 downloads on a Mac**

1. Either hold the "control" key + click the mouse or click and hold the mouse button down on the link until the menu pops up
2. Select the item from the menu that indicates it will "save" or "download" the file to the disk
3. Select the folder location to save your file, such as "Music"
4. Open the file in your favorite player such as iTunes or QuickTime
